

# **BM1205 Action meetings and Multidisciplinary Conference and Workshop**

## **Shining Light on Skin: Fast and robust diagnostics – Fast and robust treatment**

**Split, CROATIA, 25th -27th September 2015**

### **FRIDAY 25TH SEPT 2015**

**11:00-13:00** Informal discussion/meetings between attending project members and core group members (**Venue –Hotel Park foyer**)

**15:00 -17:00** WGs meeting (**Venue - Hotel Park**)

### **SATURDAY 26TH SEPT 2015 (Venue - Hotel Park)**

**9:00- 9.30** Welcome, Introduction; Dragan Indjin, Mirna Šitum

#### ***Workshop 1- Imaging methods in dermatology***

9:30-10:00 Puizina Ivic Neira, Čarija Antonela, Lina Mirić Kovačević, Dubravka Vuković (Department of Dermatology and Venereology, University Hospital Centre Split, Split, Croatia): ***What to do with nevi?***

10:00-10:30 Jasmina Stefoski- Mikeljevic (Department of Dermatology, York Teaching Hospital, NHS Foundation Trust, York, UK): ***Diagnostic tools in dermatology: dermoscopy as an example.***

10:30-11:00 Elvira Moscarella (Skin Cancer Unit, Arcispedale S. Maria Nuova, IRCCS, Reggio Emilia, Italy): ***Diagnosis of cutaneous nodular lesions***

*11:00-11:30 – Coffee/tea break*

11:30-12:00 Bolanča Željana (Department of Dermatology and Venereology, University Hospital Centre sestre milosrdnice, Zagreb, Croatia): ***Trichoscopy***

12:00 – 12:30 Roberto Longo (École Supérieure d'Électronique de l'Ouest, Angers, France): ***Laser and ultrasound techniques in the evaluation of biological tissues***

12:30-13:00 Discussion

*13:00- 14:30 Lunch break (organized in the Hotel Park)*

**14:30-17:00 MC MEETING (Venue- Hotel Park)**

17:30-19:00 Sightseeing (starting point: Main entrance to the Dioklecian Palace - seaside)

20:30 Dinner (Restaurant Semafor; address: Kralja Tomislava 8A, 21000 Split. Agreed menu - cost of 20 EUR will be collected during the Saturday's meetings)

**SUNDAY 27TH SEPT 2015 (Venue-Hotel Park)**

***Workshop 2: Measuring slow and fast dynamics; light scattering for medical diagnostics***

9:00-9:30 Mitra Almasian (Academic Medical Center Amsterdam, The Netherlands):  
***From light scattering to pathology and quantitative OCT***

9:30-10:00 Wiendelt Steenbergen (University Twente, The Netherlands):  
***Photoacoustic imaging of tissue chromophores***

10:00-10:30 Oisín Bugter (Erasmus Medical Center, Rotterdam, The Netherlands):  
***Multi-diameter single fiber spectroscopy in the skin***

10:30-11:00 Richelle Hoveling (Academic Medical Center Amsterdam, The Netherlands): ***(Hyper)spectral imaging of skin***

11:00-11:30 Coffee/tea break

11:30-12:00 Sanne Jansen (Academic Medical Center Amsterdam, The Netherlands): ***Measuring perfusion with light: novel optical diagnostics***

12:00-12:30 Małgorzata Jędrzejewska- Szczerska (Gdansk University of Technology, Faculty of Electronics, Telecommunications and Informatics, Poland):  
***Nanoparticles in biophotonic sensors for medical diagnostics***

12:30-13:00 Discussion

13:00 -15:00 Lunch break (individual)

15:00 –18:00 Discussion between COST partners on further collaborations, informal meeting and if needed formal WGs meetings
