## Corrigendum

doi:10.1093/eurheartj/ehab073

Online publish-ahead-of-print 15 February 2021

**Corrigendum to:** Procedural myocardial injury, infarction and mortality in patients undergoing elective PCI: a pooled analysis of patient-level data

In the originally published version of this manuscript, errors were noted and listed in this corrigendum.

The title should read: “Procedural myocardial injury, infarction and mortality in patients undergoing elective PCI: a pooled analysis of patient-level data” instead of “Cardiac procedural myocardial injury, infarction and mortality in patients undergoing elective PCI: a pooled analysis of patient-level data”

“Yong Loo Lin School of Medicine, National University Singapore, Singapore” was inadvertently omitted from Co-author Derek J. Hausenloy’s affiliation.

These errors have now been corrected.
