In the original published version of this article, The authors have gotten funding for the open access fee and would like to update the funder list. The correct version of funding statement and acknowledgements can be found below:

**Funding statement**

JOO has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 641918 through the AfricanBioServices Project as well as support from the German Research Foundation (DFG, Grant # 257734638). This study has also received funding support from the One CGIAR Initiative on Foresight

and Metrics to Accelerate Inclusive and Sustainable System Transformation.

**Acknowledgements**

CKB, DE and NM would like to acknowledge all partners and donors that globally support our work through their contributions to the CGIAR system and in particular to the CGIAR Research Program on Livestock CRP (<http://www.cgiar.org/about-us/our-funders>).

The authors apologize for the errors. Both the HTML and PDF versions of the article have been updated to correct the errors. We would like to thank all funders who supported this research through their contributions to the CGIAR Trust Fund.
