

## CONFERENCE PROGRAMME - FRIDAY 26<sup>TH</sup>

09:15 - 10:15	<p>Keynote Lecture <i>Dr. William McGaghie</i> Professor of Medical Education, Department of Medical Education Chair: James Murray</p>	Main Auditorium
---------------	--	-----------------

10:15 - 10:45 Coffee Break

10:45 - 12:15

Workshop 6A	<p>Patient Safety/ Quality Improvement <i>Safety Lessons from Formula 1</i> <i>Dr Martin Duffy, Mr Mark Gallagher</i></p>	Main Auditorium
-------------	---	-----------------

Sim Olympics Final	Studio
Poster Session 3	Studio Balcony

Session 6A	<p>Debriefing, Faculty Development &amp; Curriculum Development Chair: <i>Ralf Krage</i></p>	Lagan
------------	--	-------

How is Knowledge Constructed in the Debrief Setting?  
*Dr Ranjev Kainth*

Lessons learnt from a multinational simulation faculty development workshop

*Dr Ratna Makker, Prof Guillaume Alinier, Dr Ashwin Kalbag, Dr Devaraja Acharya, Dr Sigismund Wilkey, Dr Khalid Abdulnoor Saifelddeen, Prof Denis Oriot, Dr Saravanan Rathinam*

The ODP takes the lead

*Mr Neil Rimmer, Mr Timothy Parr, Miss Louise Schofield*

Learning from major harm and/or death in the simulator

*Dr Martinus Meela, Dr Piret Hamer, Dr Louise Kelly, Dr Crina L Burlacu*

## CONFERENCE PROGRAMME - FRIDAY 26<sup>TH</sup>

Session 6B	Research <i>Chair: Stefan Gisin</i>	Arc
------------	--	-----

Applicability and value of OSCE Best Practice Guidelines for simulation

*Dr Michelle Kelly, Associate Professor Marion, Professor Amanda Henderson, Ms Carol Jeffrey*

Crew resource management goals correlate to clinical performance in simulatorbased teamwork training for students

*Dr Cecilia Escher, Dr Johan Creutzfeldt, Dr Lisbet Meurling, Dr Ann Kjellin, Prof Li Felländer-Tsai*

Requirements and challenges of implementing surgical residents' simulator training program in the Finnish hospital

*Ms Minna Silvennoinen*

High-fidelity and medium-fidelity simulation: impact on self-confidence to emergencies response

*Prof José Martins, Prof Rui Baptista, Prof Verónica Coutinho, Prof Rui Gonçalves, Prof Luís Paiva, Prof Luís Oliveira, Prof Alessandra Mazzo, Prof Isabel Mendes*

Impact of a short-course on the acquisition of core competencies in medicine of Angolan undergraduate students

*Prof Carla Sa-Couto, Prof Maria Amelia Ferreira*

Workshop 6B	Patient Safety/ Quality Improvement	Titanic
-------------	-------------------------------------	---------

Prehospital Crisis Resource Management

*Dr Zeynep Sofuoglu, Dr Turhan Sofuoglu, Associated Prof. Melih Elcin, Dr Ahmet Ozcevikel, EMT Emine Vatansever, Prof. Dr. Gokhan Akbulut*

## CONFERENCE PROGRAMME - FRIDAY 26<sup>TH</sup>

Session 6C IPSS @SESAM, Best submissions from Vancouver 2015

Pirie

For all SESAM members interested in pediatric and perinatal simulation that did not have the opportunity to attend the 7th IPSSW meeting in Vancouver in May 2015, the Executive Board of IPSS will present a selection of award winning posters, oral presentations and workshops delivered at IPSSW2015. Precious information on developments in the continued evolution of Pediatric Simulation.

*David Grant and Ralph McKinnon*

Workshop 6C Faculty Development

Hilton Lagan A

*CRM-Bingo reloaded - using a real-time interactive audience response system*

*Mr Benedikt Sandmeyer, Mr Peter Dieckmann*

Workshop 6D Inter-professional/Team Education

Hilton Lagan B

Multi-professional team training at the operating theatre: An interactive try-out of new low cost simulation concepts

*Anna Sofie Mundt, Mrs Anne-Mette Helsoe, Mrs Giuseppina Kunstek, Dr. Marlene Mohr*

Workshop 6E Patient Safety/ Quality Improvement

Hilton Lisburn Suite

Hit me baby one more time! The power of repetition!

*Mrs Sigrun Qvindesland, Mrs Anlaug Vatne, Mr Jørgen Linde, Mrs Kirsten Engevik, Mr Conrad Bjørshol, Mr Stian Bergby, Mr Joachim Weiss, Mrs Synnøve Folkvord*

12:30 - 13:30 Lunch

## CONFERENCE PROGRAMME - FRIDAY 26<sup>TH</sup>

State of the Art lecture - Professor Andrew Newton

*Professor Andrew Newton*

*Chair: Kai Kranz*

13:30 - 14:15

Clinical Simulation in the Ambulance Service, changing priorities and new challenges

Main Auditorium

14:15 - 15:45

Workshop 7A Peer Review

Main Auditorium

Peer Review for Scholarly Journals: Developing Expertise.

*Debra Nestel and Peter Dieckmann*

Session 7A

Curriculum Development, Patient Safety/ Quality Improvement & Technical

Lagan

*Chair: Michael Williams*

Understanding Knobology – Study to the Accurate Use of Knobs in

Ultrasound Imaging by Simulated Training

*Mrs Anique Bellos-Grob, Mr Erik Groot Jebbink, Mr Remke Burie, Mrs Heleen Miedema*

On-site in-situ simulation for operational and medical training of helicopter rescuers in Nepal

*Dr Monika Brodmann Maeder, Prof Aristomenis Exadaktylos*

Ultrasonography Education – Hands-on Training by Simulator and Real Scanning

*Mrs Anique Bellos-Grob, Mr Erik Groot Jebbink, Mr Remke Burie, Mrs Heleen Miedema*

Concussion in Rugby - Recognition, assessment and management

*Dr Martin Duffy, Dr Michael Webb*

Focused Intensive Care Echocardiography

*Dr Martin Duffy, Dr Chris Nutt, Dr Conn Russell*

## CONFERENCE PROGRAMME - FRIDAY 26<sup>TH</sup>

<p>Session 7B</p>	<p>Curriculum Development, Patient Safety/ Quality Improvement &amp; Technical <i>Chair: Ian Walsh</i></p>	<p>Arc</p>
<p>Simulation for Cardiac Surgeons: Complete Training Program in Minimally Invasive and Robotic-assisted Cardiac Surgery <i>Mr Alexey Arkhipov, Mrs Tatyana Kuznetsova, Mrs Irina Boytsova, Mr Vidadi Efendiev, Mr Alexander Karaskov</i></p> <p>To optimize prehospital CPR- performed by fire fighters. <i>Mrs Anna Abelsson, Associate Professor Christer</i></p> <p><i>Simulating reality: preparing undergraduate nurses to administer medications in the real world.</i> <i>Mrs Carolyn Hayes, Professor Debra Jackson, Professor John Daly, Professor Patricia Davidson, Doctor Tamara Power</i></p> <p>CAP Timer®: Improving the fidelity of paediatric simulation <i>Dr Samantha Lyons, Dr William Marriage, Dr David Grant, Deborah Marriage, Mr Keith Draper, Dr Patricia Weir</i></p>		
<p>Workshop 7B</p>	<p>Debriefing Workshop</p> <p>Debriefing as Formative Assessment <i>Mr Demian Szyld, Dr. Jose Maria Maestre, Dr. Ignacio Del Moral, Dr. Michaela Kolbe, Dr. Roxanne Gardner, Dr. Robert Simon, Dr. Jenny Rudolph</i></p>	<p>Titanic</p>
<p>Workshop 7C</p>	<p>Interprofessional / Team Education</p> <p>TeamSTEPS as a course curriculum for developing simulation-based training of interprofessional teams <i>Dr Randi Ballangrud, Dr Sissel Eikeland Husebø</i></p>	<p>Pirrie</p>

## CONFERENCE PROGRAMME - FRIDAY 26<sup>TH</sup>

**Workshop 7D Interprofessional / Team Education**

Hilton Lagan A

Patient representation in healthcare education: using patient narratives about avoidable harm and candour to enhance simulation-based patient safety education.

*Dr Nick Woodier, Mr Shilen Shanghavi, Ms Catherine Jones, Mr Murray Anderson-Wallace, Ms Sarah Garrett, Professor Bryn Baxendale*

**Workshop 7E Debriefing**

Hilton Lagan B

Debriefing for Resilience;- small changes to help develop stronger doctors.

*Mrs Megan Hall-Jackson, Mrs Kay Buchan, Ms Caroline Pelletier, Ms Rachel Gill, Dr Rebecca Young, Dr Rebecca Preedy, Dr Gomathy Kandasamy, Dr Tom Smith*

**Workshop 7F Assessment using Simulation**

Hilton Lisburn Suite

"Reliability, validity and authenticity of a competence based assessment in a simulated setting"

*Mr Martijn Forrer, Mr Chiel van Galen, Mr Ron Brendel*

15:45 - 16:15 Coffee Break

16:15 - 17:00 Closing Remarks  
Poster Prize Award
